

# Presidential Aviation, Inc.

## CAPABILITIES STATEMENT

### CAPABILITIES:

Presidential Aviation is a boutique private jet charter operator. We are small enough to attend to the miniscule details and needs of our discerning clientele, yet we are sizable enough to offer the savings of large scale operators. We offer executive jet management, jet maintenance, and unsurpassed personalized attention as well as elite on-board accoutrements.

- Private Jet Charters
- Ad hoc commercial charters
- Ad hoc private jet charters
- Diplomatic/Governmental Flights
- VIP Services
- Flight planning and tracking

### DIFFERENTIATORS:

Presidential Aviation is a privately owned company. It is managed by a team of seasoned private jet industry professionals who have over 100 combined years of industry business experience offering exceptional jet charter services.

- Being a boutique aircraft management company, we are dedicated to providing the highest quality personalized service.
- Over the past 16 years, our safety record has remained untarnished. Our maintenance team has earned NATA's 5 star rating for the past 2 years in a row.

### PAST PERFORMANCE:

Presidential Aviation has provided Private Jets Services for numerous Government Agencies as well as Heads of State.
